RE: Lynn Canal Access

I again want to reiterate my support for Juneau Access.

A road connecting Juneau to the rest of the State is critical to retaining the capital in Juneau. Access to Juneau still remains a significant concern throughout Alaska. Repeated attempts to move the Capital and the Legislature in our most recent are sure to maintain traction if we appear to be unconcerned about improving access.

I urge you to continue inclusion of the Lynn Canal Highway Project in the STIP and to provide full funding for the project.

Sincerely,

Dennis Egan
